

REMARKS

The foregoing listing of claims is submitted in response to the Office Action mailed 25 April 2008 for the subject application. In the referenced Office Action, which included a Notice of Non-Compliant Amendment (37 CFR 1.121), it was noted that the claim listing of Applicant's Amendment filed 17 January 2008 included a section of strikethrough text that was difficult to discern. More specifically, the Office Action stated that in claim 26, line 12, uncertainty existed as to whether an indefinite article, "a," was being deleted.

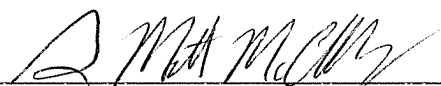

In response to the Office Action, Applicant hereby submits a revised listing of claims in connection with the Amendment filed 17 January 2008. In particular, the noted indefinite article in claim 26 has been enclosed by double brackets to indicate its deletion. Applicant requests that the Examiner conduct further examination of the subject application as hereby amended in light of the arguments and remarks submitted by the Amendment filed 17 January 2008.

Please charge any fees which may be due, or credit any overpayment, to Deposit Account Number 50-1133. The Examiner is invited to telephone the undersigned attorney to discuss any aspect of the subject application or this paper.

Respectfully submitted,
